

Women's Health Victoria

'knowledge into action'

Workshop: Considering Gender & Mental Health

Mental health is a priority for many organisations and is linked to health determinants and physical health. This workshop aims to assist professionals in designing and delivering gender sensitive mental health policies, programs and services.

Practical activities in this session include:

- Exploring gender key concepts and their relationship to mental health
- Applying gender analysis on mental health data
- Gender sensitive program planning and evaluation

Date: **9 November 2011**

Time: **9.30am – 3.30pm**

Location: **Women's Health Victoria
Level 8/ 255 Bourke St
Melbourne**

Cost: **\$ 88(incl. GST) standard rate or \$66 (incl. GST) self funded rate**
