

Women's Health Victoria

Workshop Calendar January to June 2012

To enable professionals to better plan their services to respond to the particular needs of women, Women's Health Victoria offers a range of practical professional learning workshops.

Our workshops are designed for professionals working in a range of areas including:

- Health and social policy
- Health promotion and community development
- Health and support services
- Women's health
- Community health
- Local and state government

Venue:

Women's Health Victoria
Level 8/ 255 Bourke St Melbourne

Please **register by** completing and submitting an Event Registration Request via the WHV website:
